Succeed from anywhere.

Help your employees maximize
productivity while working from home.

When it comes to the success of your organization, nothing's more important than the health of your employees. With the sudden nationwide shift to remote working, new developments can present uncertainties that may seem challenging for your organization. Office Depot® can help your employees maintain productivity from any location, so you can enjoy peace of mind.

FIND THE ESSENTIALS YOUR EMPLOYEES NEED — ALL FROM ONE SOURCE.

TECHNOLOGY

Although your employees may not be working on-site, they're really just a click away. Ensure that they have the resources they need for videoconferencing and printing, so they can stay connected to productivity from any location.

HEADSETS

When it comes to productivity, communication is key. In place of face-to-face meetings, equip your employees with what they need to hear important details in conference calls and come across clearly in virtual meetings.

FURNITURE

Dedicated home office environments that replicate in-office workspaces can help boost creativity and eliminate the feeling of isolation. Help your employees maximize their home office space while keeping productive in ergonomic comfort.

ORGANIZATION

Keeping paperwork neatly organized is a great way to increase productivity while your employees work remotely. Help them keep documents secure and easy to find at home, while they stay on task and up to date with calendars and planners.

WRITING

Your employees need to express themselves through written communication. Make sure they're stocked up on the pens, pencils and markers they need to complete their written tasks, whether it's jotting quick notes, filling out important forms or working on projects.

ESSENTIAL ITEMS

Supplies are key in helping your employees move projects forward on a consistent basis. Since your staff members won't have daily access to your office supply closet, ensure they have the essentials they need while working from home.
